

Tired of the Same Old Fundraisers?

Finally, you have a BETTER choice!
Introducing Salt Products for Fundraising.
It's as easy as 1-2-3!

Simple Steps to SUCCESS

- 1) Sign up for our fundraising program at www.saltfundraising.com. We will send you the necessary forms, schedule an initial meeting to answer any questions, and get your organization set up for success in your fundraising goals.
- 2) Your organization then does a two-week SALT BLITZ campaign. During this time, athletes and members will sell any of the three salt products we offer using our simple and easy order form.
- 3) Once the two-week campaign is over, we designate a pick-up date and location. We bring the purchased product to your most convenient location where you can distribute the salt to customers.
